^b Centre de Thermique de Lyon, Institut National des Sciences Appliquées de Lyon-UMR-CNRS, 5008, 20, Av. Albert Einstein, 69621 Villeurbanne Cedex, France

Eqs. (4) and (5) have been printed incorrectly. The correct appearance is as follows:

$$\overline{h_{\text{inf}}} = \frac{1}{(x_n - x_0)} \sum_{i=1}^n \frac{(h_{\text{mf}_i} + h_{\text{mf}_{i-1}})}{2} (x_i - x_{i-1}) \quad (4)$$

$$\overline{\Delta p_{\text{inf}}} = \frac{1}{(x_n - x_0)} \sum_{i=1}^n \frac{(\Delta p_{\text{mf}_i} + \Delta p_{\text{mf}_{i-1}})}{2} (x_i - x_{i-1}) \quad (5)$$
